Smit Aryal

Flutter Developer

I am a young professional with a Bachelor's Degree in Electronics & Communication Engineering. With around 2 years of programming experience, I am an independent, self-motivated individual driven by results. I possess excellent analytical, communication, coordination, problem-solving, quick learning, and time management skills.

I am basically a free spirit eager to learn new things.

EXPERIENCE

Flutter Developer

Weplay Solutions / Kathmandu / July, 2021 - June, 2022

I was tasked with converting UI/UX designs into frontend designs specifically tailored for mobile platforms.

Flutter Developer

Emerge Infosys / Banepa / June, 2022 - June, 2023

I was responsible for seamlessly integrating the designed interfaces with APIs.

Flutter Developer

Webbook Pvt. Ltd. / Kathmandu / June, 2023 - Present

I am responsible for fetching data from Api and integrating with frontend.

PROJECTS

Smart Health Nepal

I collaborated with a team to facilitate the development of a mobile application aimed at providing comprehensive services related to blood-related healthcare.

Webbook support

This application is currently in the developmental phase, with a primary focus on delivering exceptional IT support services to esteemed client.

Dental

This app is developed for admin side of dental clients. It is basically an application version of website.
